May is Rotary Youth Service Month

May is Youth Service Month —a time dedicated to celebrating the local and global impact of Rotary International's young leaders. While their impact is felt year-round, this month provides a special opportunity to showcase the leadership growth and service efforts of the 350,000+ young people engaged in Rotary's youth programs worldwide.

INTERACT

Interact is a Rotary-sponsored service club comprised of 14-18 year olds. Interact gives young people the opportunity to take part in fun, meaningful service projects. Interact strives to promote student leadership, local volunteer service, and to make members aware of the many global and world issues that effect people everyday.

RYLA

Each year thousands of young people take part in the Rotary Youth Leadership Awards (RYLA) programs worldwide. Young people are chosen for their leadership potential to attend a seminar, camp or workshop to discuss leadership skills and to learn those skills through practice.

ROTARY YOUTH EXCHANGE

Rotary Youth Exchange is an excellent and inexpensive way for high school age students to travel and study in a foreign country.

Youth exchange gives the participant the opportunity to improve their language skills and school and family experiences will teach them the culture of their host country. They also act as ambassadors for their home country and Rotary.

Polio Plus Update

Amid geopolitical tensions and insecurity across the Region, health workers in Pakistan and Afghanistan came together in April in a synchronized effort to protect every child from polio.

From 13 to 19 April 2026, a nationwide vaccination campaign in Pakistan reached 44.8 million children. Simultaneously, Afghanistan launched its first nationwide campaign of 2026, reaching 12.8 million children under 5. Vitamin A was co-administered to children between 6–59 months in both countries. The synchronized effort reflects a simple but powerful reality. Poliovirus does not stop at borders, and neither can the response.

Program: Real Provencher - Does Being a Rotarian Still Matter?

Real Provencher, a member of the Lone Star Rotary E-Club and former member of the League City and Magnolia Rotary clubs, is a business advisor and leader who works with owners and leadership teams to improve clarity, strengthen execution, and build organizations that perform consistently.

With decades of experience across multiple industries, he brings a practical, real-world perspective to the challenges that business leaders face -- and the disciplined approaches required to solve them.

As volunteerism continues to change and communities face growing challenges, organizations like Rotary International play a vital role in shaping a stronger future. This presentation highlights the power of service to create purpose, the importance of relationships in building resilient communities, and the responsibility today's leaders have in mentoring the next generation. Centered on mentorship, eithical leadership, nonprofit sustainability, and meaningful community impact, this program reminds us that true leadership begins not with a title, but with a willingness to serve.
